<b>LES MILLS BODYPUMP</b>	The original barbell class that shapes, tones and strengthens your entire body. The REP EFFECT focusing on high repetition movements with low weight loads. This will help you achieve strength and introduce lean body muscle conditioning.
<b>LES MILLS CXWORX</b>	Exercising muscles around the core, CXWORX™ provides the vital ingredient for a stronger body. A stronger core makes you better at all things you do, from everyday life to your favorite sports - it's the glue that holds everything together.
<b>LES MILLS BODYATTACK</b>	BODYATTACK™ is a high-energy fitness class with moves that cater for total beginners to total addicts. We combine athletic movements like running, lunging & jumping with strength exercises such as push-ups & squats. A high intensity cardio workout designed to build strength & stamina.
<b>LES MILLS BODYJAM</b>	Body Jam is the cardio workout where you are free to enjoy the sensations of dance, Lose yourself in the dance inspired cardio workout to the latest dance styles and hottest new sounds.
<b>LES MILLS BODYBALANCE</b>	During Body Balance an inspired soundtrack plays as you bend & stretch through a series of simple yoga moves and embrace elements of Tai Chi & Pilates. Breathing control is a part of all the exercises. You'll strengthen your entire body and leave the class feeling calm and centered. Happy.
<b>LES MILLS BODYCOMBAT</b>	Step into a BODYCOMBAT workout and you'll punch and kick your way to fitness, burning up to 740 calories along the way. This high-energy martial-arts inspired workout is totally non-contact and there are no complex moves to master. You'll release stress, have a blast and feel like a champ.
<b>LES MILLS RPM</b>	RPM™ is a group indoor cycling workout where you control the intensity. It's fun and low impact. Go on a journey of hill climbs, sprints and flat riding to reach your cardio peak then ease back down, keeping pace with the pack to lift your personal performance and boost your cardio fitness.
<b>LES MILLS sprint</b>	Is built on the science of High Intensity Interval Training (HIIT). It's quick and hard style of training that returns rapid results with minimal joint impact. All performed on an indoor cycle bike and only 30min in duration.
<b>LES MILLS SH'BAM</b>	A fun-loving, insanelly addictive dance workout. SH'BAM™ is an ego-free zone – no dance experience required. All you need is a playful attitude and a cheeky smile so forget being a wallflower – even if you walk in thinking you can't, you'll walk out knowing you can!
<b>LES MILLS GRIT   STRENGTH</b>	LES MILLS GRIT™ Strength is a 30-minute high-intensity interval training (HIIT) workout, designed to improve strength and build lean muscle. This workout uses barbell, weight plate and body weight exercises to blast all major muscle groups.
<b>LES MILLS GRIT   PLYO</b>	A 30-minute high-intensity interval training (HIIT) plyometric-based workout, designed to make you perform like an athlete. This workout uses a bench and combines explosive jumping exercises with agility training to increase explosiveness and to build a lean and athletic body. LES MILLS GRIT Plyo takes cutting edge HIIT and combines it with powerful music and inspirational coaches who will be down on the floor with you motivating you to go harder to get fit, fast.
<b>LES MILLS GRIT   CARDIO</b>	A 30-minute high-intensity interval training (HIIT) workout that improves cardiovascular fitness, increase speed and maximize calorie burn. This workout uses a variety of body weight exercises and provides the challenge and intensity you need to get results fast. LES MILLS GRIT Cardio takes HIIT and combines it with powerful music and inspirational coaches who will be down on the floor with you, motivating you to go harder to get fit, fast.
<b>STEP</b>	Using a height adjustable step and simple movements on, over and around the step, step delivers huge motivation. Cardio blocks push fat burning systems into high gear followed by muscle conditioning tracks to shape and tone your body.
<b>metafit</b>	A 30 minute body weight HIIT experience designed to work large muscle groups in a non-choreographed, simple to follow group format. With short workout bursts/rest times to keep your body guessing. Burn up to 400 calories during your workout and up to 700 in the following 24-36 hours.
<b>UP &amp; ACTIVE SENIORS</b>	A 45 minute class specially designed for our senior citizens. We have numerous class options to cater for all abilities and your session could be on the spin bikes, in the group exercise room or on the cardio equipment. All our sessions are overseen by our own in house Exercise Physiologist and are programmed to run for a 12 week duration.
<b>YOGA</b>	We offer a variety of yoga styles from power yoga, to classical hatha, flow and restorative meditation. Yoga classes include postures, breath awareness and meditation and always have lots of variety. Each instructor will bring their own unique energy to the class.
<b>Barre</b>	A balletic infusion of Dance, Pilates and Yoga. Barre sculpts and tones your entire body from head to toe through strengthening and stretching exercises both at the barre and on the mat. No dance experience required. Swap your squats for pilates!
<b>FITBALL</b>	A strengthening class designed to improve range of motion, strength, stability, co-ordination and balance. Fitball provides an excellent workout which will result in a stronger core, improved posture and better body alignment.
<b>pilates</b>	A class that improves flexibility, builds strength and develops control and endurance in the entire body. It puts emphasis on alignment, breathing, developing a strong core and improving coordination and balance.
<b>POP PILATES</b>	A total body workout which will help you target and lose belly fat. All movements are done to modern pop music which is upbeat and fun. This class will also work to strengthen and tone your thighs, butt and upper arms. Take the challenge now!
<b>BOOTCAMP</b>	Our fitness bootcamp classes are military inspired circuit classes. A combination of strength, cardio, muscle endurance, flexibility, core and functional movement patterns, you get everything you need! In our bootcamp classes you will be introduced to battle ropes, kettlebells, medicine balls, trx straps, ladders, skipping ropes and sandbags.
<b>THE ZUU</b>	Why is ZUU so good? It's fun! This calorie burning HIIT workout develops mobility, agility, flexibility and boosts cardio endurance, but that's not all. It strengthens muscles, joints, tendons, ligaments and tissue. The military, elite athletes and top sports teams do it to keep super fit. With a focus on mobility, strength and conditioning and team building, Zuu is all that we are about.
<b>KNOCKOUT</b>	Our boxing inspired knockout classes draw on boxing principles to give you an all over cardio and strength training workout. Boxing helps improve endurance, co-ordination and stamina and is also great for stress relief! Our classes are a mix of boxing combinations, cardio drills and specific boxing exercises and caters for all levels of fitness!
<b>CIRCUITS</b>	Training comprises of 6-10 stations, each performed for a specific number of repetitions or for a set time before moving onto the next station. Each station is a fun and exciting mix of cardio, strength, plyometric and core focus training. This mix of cardiovascular training and resistance training is a great combination to shape and tone and increase your fitness levels quickly!
<b>FUNCTIONAL FIT</b>	In this full body workout you will improve your strength and endurance. Functional exercises use multiple joints and numerous muscles to train your muscles to work together and prepare them for daily tasks by simulating common movements you might do at home, at work or in sports. While using various muscles in the upper and lower body at the same time, functional fitness exercises also emphasize core stability. You will get a good mix of cardiovascular and resistance training!
