# GROUP FITNESS TIMETABLE

**LES MILLS BODYPUMP**

BODYPUMP™, a total body workout that will burn calories, shape and tone your entire body, increase core strength and improve bone health. You will be coached through scientifically-backed moves and techniques pumping out encouragement, motivation and great music – helping you achieve much more than on your own!

**BODYBALANCE**

BODYBALANCE™ is a new generation yoga class that will improve your mind, your body and your life. You can expect to bend and stretch through a series of simple yoga moves, elements of Tai Chi and Pilates while an inspiring soundtrack plays in the background.

**LES MILLS BODYCOMBAT**

Step into a BODYCOMBAT™ workout and you'll punch and kick your way to fitness, burning up to 570 calories along the way. This high-energy martial-arts inspired workout is totally non-contact and there are no complex moves to master. You'll release stress, have a blast and feel like a champ.

*Power & Yoga*

From invigorating power yoga to soothing restorative meditation, our classes cater to all levels and preferences. Dive into posture refinement, breath awareness, and meditation techniques guided by our experienced instructors. Whether you're a beginner or seasoned practitioner, find your perfect balance of mind, body, and spirit.

**LES MILLS BODYATTACK**

BODYATTACK™ is a high-energy fitness class with moves that cater for total beginners to total addicts. We combine athletic movements like running, lunging and jumping with strength exercises such as push-ups and squats. Challenge your limits in a good way, burning up to 555 calories and leaving you with a sense of achievement

*sculpt pilates*

Transform your body with Sculpt Pilates, a cutting-edge class designed to push your limits and sculpt your physique. Challenge yourself with dynamic movements and props that enhance strength and stamina, all while focusing on the core principles of Pilates to refine your posture and flexibility. Join us to sculpt and tone your body like never before.

**LES MILLS SPRINT**

LES MILLS SPRINT™ is a 30-minute High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. It's a short, intense style of training where the thrill and motivation comes from pushing your physical and mental limits. A high intensity, low impact workout, it's scientifically proven to return rapid results.

*STRENGTH & stretch pilates*

Elevate your fitness with Strength and Stretch Pilates, a dynamic fusion of strength-building and flexibility-enhancing Pilates movements. From enhancing muscular endurance to tightening your deep core, this functional fitness class offers a comprehensive workout that leaves you feeling strong, stable, and revitalised.

**ABT**

ABT (Abs, Booty, Thighs) is dedicated to sculpting and strengthening your core, glutes, and thighs. Through a dynamic blend of strength-enhancing and muscle-toning exercises, ABT delivers a focused workout that helps you to redefine your abs, lift your booty, and tone your thighs for a stronger, more sculpted physique

*HOT BURN pilates*

Ready to feel the burn? This exhilarating 30-minute class is designed to challenge your entire body with high-intensity functional Pilates movements. Combining cardio, toning, and stretching exercises in a heated environment, you'll sculpt a stronger, leaner body while maximising calorie burn.

**UPPERCHARGED SATURDAY**

Come join us every Saturday with your game faces on. A fun 45-minute exclusive team based strength and cardio incorporated workout held in our High Performance Unit. This class is designed to build strength and improve your fitness.

*flow pilates*

Experience the fluidity of movement with Flow Pilates! This class is your gateway to enhancing core strength and boosting whole-body stamina through a seamless flow of Pilates movements. Dive into exercises that prioritise alignment and breath, improving posture and flexibility while sculpting and toning your body from head to toe.

**SWEAT**

A circuit style class designed to make you sweat as much as possible! Comprised of ten stations, mixing cardiovascular and strength training, you will work with a partner through four sets at each station to get through your 45 minutes class.

*Up & Active Seniors*

This class is designed to empower senior citizens to lead active and independent lives. Focussing on strength, balance, and flexibility exercises to enhance mobility, prevent injuries.

**Barbell STRENGTH**

Shape and tone your entire body whilst improving your strength. This class will work all of your major muscle groups, and gets your heart rate up, making the most of your workout.

**FUNCTIONAL FIT**

Functional Fit is your gateway to a stronger, more agile body that's ready for anything life throws at you. Focusing on functional exercises that engage multiple joints and muscles, we'll enhance your core stability and improve everyday movements.

**KNOCKOUT**

This high-energy class is inspired by boxing principles to deliver a knockout punch to your fitness goals. From powerful boxing combinations to heart-pumping cardio drills and specialised boxing exercises.

**CAMP KNOCK OUT**

Combining bootcamp and boxing principles, this class will keep you moving and your heart rate up, whilst building strength and your confidence.
